Key Facts

Focussing on brand themes and brand values, this programme is designed to help you define your core messages and communicate with confidence online, in print and face-to-face.

Approach, Format & Resources
- 2 workshops, 1 week apart.
- Each workshop lasts 3 hours, including breaks.
- Up to 6 participants.
- At your premises or via Zoom.
- Question-led active learning.
- Worksheets are provided.
- No special set-up is required.

Outcomes
- A definitive set of Brand Themes
- A definitive set of Brand Values.
- A clear understanding of how, where and when to use these assets.

Cost
£500 / Free*

* Every month, one slot is made available, free of charge, for social enterprises, charities and community groups.
- If travel outside Glasgow is required, time and expenses are charged in addition.
